

REMARKS

I. Amendments to the Claims and Specification

Claims 13 and 23-24 have been amended to fix informalities. The specification has been amended to eliminate non-statutory subject matter from the inclusive open-ended definition of "machine readable medium." It is submitted that claim 30 as amended overcomes the 35 USC §101 rejection. Reconsideration and withdrawal of the rejections set forth in the Office Action dated March 18, 2008 are respectfully requested. No new matter has been added

II. Conclusion

In light of the amendments and the preceding arguments, the applicant respectfully requests that the Examiner withdraw all rejections and issue a Notice of Allowance.

If the Examiner believes that a conference would be of value in expediting the prosecution of this application, he is cordially invited to telephone the undersigned counsel at (650) 838-4441 to arrange for such a conference.

Respectfully submitted,
